Asian Pacific American Heritage events Wednesday

Asian Pacific American Heritage Month Celebrations will be from 11:30 a.m. - 1 p.m. Wednesday in Morris Auditorium. The theme for this year's celebration is "Unity in Freedom" and will feature cultural foods, a fashion show and dance demonstration. Payload specialist Dr. Eugene Trinh will speak on "Perspectives of Research in Space, from a Ground Laboratory, in Space and Behind a Desk." For more information, contact Willie Love at 544-0088.

Marshall video enhancement wins major technology award

Three Marshall team members won the Federal Lab Consortium's Excellence in Technology Transfer Award for a computer-based system that is becoming widely used by law enforcement to enhance video. Dr. David Hathaway and Paul Meyer, creators of Video Image Stabilization and Registration, and Sammy Nabors of the Technology Transfer Department, will receive the award Wednesday at the consortium's annual meeting in Little Rock, Ark.
